IMMEDIATE.

SIR,

In connection with the ensuing reconstitution of the Mysore District Board with effect from Ist February 1930 as per the Calendar published in this office Notification No. C. 333 L.B. 29-30 dated 13-8-1929 published in page 657 part II A of the Mysore Gazette dated 22-8-1929, I have the honour to submit herewith the following five applications received in this office from their respective Associations for enfranchisement under rule 4 of the election rules published in Government Notification No. L. 1311 L.B. 25-26-3 dated 21-8-1926 and to state as follows:-

The first application received in this office on 4-9-29 is from "Kaniyara Sangha," of Bangalore. As this Association is not in this District as required by rule 2 of the Election Rules it does not form a special constituency within the meaning of the said rule.

The second application received on 13-9-1929 is from the Bar Association of Mysore. All the particulars required for the enfranchisement under rule 4 have been furnished except that the number of members is not 100 or more as required by clause (b) of rule 4 and that the list of voters has not been submitted along with the application, pending the submission of the list of voters, this Association may be enfranchised and permitted to elect a member as was done on the previous occasion, the deficiency of members being condoned.

6

The Third application received on 13-9-1929 is from the Cooperative Society of Periyapatna Sub-Taluk. This application has been forwarded by the Registrar of Cooperative Societies in Mysore for favourable consideration. But as cooperative societies are not registered under the Societies Registration Regulation III of 1904, they do not form special constituencies under rule 2 of the Election Rules.

The fourth application received on 17-9-1929 is from the President of the Rajaput Upakarini Provincial Mahasabha, Santhepet, Mysore. All the particulars have been furnished except the submission of the Voters List as required by Clause (c) (ii) of rule 4 of the Election Rules Pending the submission of the list of voters this Association may as a special case, be enfranchised and permitted to elect a Member

The fifth and the last application is from Anjuman Mahadavia Dayarat-ul- Islam Sangha of Malavalli Taluk. This application was received in this office on 23rd September 1929. The particulars required under rule 4 of the Election Rules have not also been furnished. But as the President of the Sangha appeared before me in person and represented that he was not aware of all the rules on the subject, the delay may be condoned and this Association may, pending the submission of the required particulars, be enfranchised and permitted to elect a member from the Sangha.

I enclose herein all the five applications for perusal and request that early orders of Government may be obtained for the enfranchisement of the following three Associations as recommended above.

(1) Bar Association, Mysore.
(2) Rajaput Upakarini Provincial Mahasabha, Mysore.
(3) Anjuman Mahadavia Dayarat-ul-Islam Sangha of Malavalli Taluk.

As the voters'lists of the Special constituencies have to be published on or before the 14th October 1929, as per the calendar, I request that early orders of Government may be obtained [illegible].
